EMTEC

Movie Cube
Mirror Dongle

movie cube™

Sharing your passions on a large screen has never been so easy!

With the Mirror Dongle by EMTEC, you can wirelessly share content from your mobile devices or PC. Anything from your favorite videos, photos, games or music can be streamed in a great quality on the large screen in your living room!

Pictures Videos Games Music

- Plug and connect, only 2 steps to get started and begin to enjoy!
- Simplicity made easy: Browse, control and adjust the volume straight on your mobile device.
- Mirror dongle™ is not limited to a few applications or usages: everything you see on the small screen, you can mirror onto the big screen.
- Compatible with Miracast™ for Android 4.2 or above devices and WiDi compatible PC.

Tip: Mirror dongle™ is using an external antenna for an optimized mirroring experience in a wider reception area

Miracast™

WiDi Compatible

Design

- Stylish, elegant and sleek packaging design coherent with the product and in line with all of the *"Movie CUBE"* range
- Pictograms clearly presenting the main product features and benefits
